

SKYBOX  
**Booster Seat**

\*Tina\* - Yorkshire Terrier

### **RIDE IN LUXURY WITH A SKYBOX VIEW**

You want to give mini-fido a comfortable and enjoyable ride. Though it may seem like the perfect spot is curled up on your lap, this is not the case. The Kurgo Skybox Booster Seat offers a safe and secure alternative by providing enough elevation for mini-fido to have a clear view of the road ahead and a comfortable, secure padded seat to snuggle down on longer trips. The best part, is they are still within arm's reach when you have the desire to scratch their belly.

#### **Benefits:**

- Holds up to 30 lbs
- Washable padded liner keeps seat fresh and clean
- Metal supports for structural integrity
- Collapsible for easy storage when not in use
- Installs quickly and securely
- Adjustable tether easily attaches to a dog harness

**Dimensions:** Open: 16"W x 9"H x 13"D - Collapsed: 16"W x 2"H x 13"D

**Materials:** 600d Polyester

**Available colors:** Black with orange

**Part number:** 00044
