

# Sack Hook

GUARANTEED NOT TO TIP OR SLIDE

## STOP YOUR GROCERIES FROM GOING ON A ROLL

Patent Pending

**A trip from the grocery store should not mean** opening up your trunk to a mess of scattered groceries. The Kurgo Sack Hook holds all your bags neatly by their handles so you don't have to worry about the groceries rolling out at every turn. When not in use the unit can quickly be folded flat for easy storage. A convenient handle allows you to easily carry the whole rack with bags into the house, plus it holds your groceries in an upright position while you empty the bags. The Sack Hook is made of high quality materials for years of use.

### Benefits:

- Saves groceries from damage during the trip home
- Easier to carry groceries from car to kitchen
- Folds away when not in use
- Heavy duty, yet sophisticated design and construction
- Fits all vehicles

### Dimensions:

- Closed: 22" w x 11" h x 18" d
- Open: 22" w x 18" h x 18" d

### Materials:

- Cold Rolled Steel
